

TEST PREP

It's that time of year again...achievement testing! It is the time for students to show off what they have learned at Memorial School. **PSSA Tests will be administered to our third and fourth graders from April 7 through 16.**

We encourage you to work with your children by going to the links below and clicking on those under the appropriate grade level for your child.

During testing week we encourage you to:

- Provide a healthy breakfast each morning before school.
- Encourage your children to do their best at school every day and not be nervous about taking the tests.
- Encourage your children to go to bed early each night before the test so they are not tired.

Thank you for encouraging and supporting your children. When you take an interest in these tests, your child will strive for success.
