- Learn Ways To Mitigate The Risks

** All parents and community members are welcome to attend **
Judge Ron Arnoni of Bethel Park/Upper St. Clair and Judge Guy Reschenthaler of Jefferson Hills, South Park and Pleasant Hills will host Jim Dill, Retired Chief Deputy of the Office of the Pennsylvania Attorney General, to present internet and social media precautions at several local schools including USC, Bethel Park, South Park, West Jefferson Hills, and local Catholic schools in a whirlwind, two-day blitz.

In addition, the Judges will host a community event where they along with Jim Dill will address parents, community leaders and other concerned citizens on the new crimes of sexting, sextortion and cyber-bullying. This public event will be held at Bethel Park High School auditorium on Wednesday September 24th at 7:30pm.

Judge Arnoni and Judge Reschenthaler have joined together because the communities they represent are both geographically and demographically similar. Judge Reschenthaler feels that it makes good sense to work as a team to combat these new crimes that plague communities everywhere. Judge Arnoni believes this subject matter is relevant because it's occurring at alarming rates and putting people (especially young people) at risk. The judges want to bring these issues to the forefront and inform parents, teachers, community leaders, and our children of the dangers that exist on the Internet and in social media.
