

BPHS STUDENTS RAISE \$701 FOR UNICEF

Instead of trick-or-treating for candy this Halloween, 61 Bethel Park High School students collected money for needy children throughout the world, as part of the United Nations' Trick-or-Treat for UNICEF program.

This year's collection brought in \$701, which is \$66 more than last year's campaign, which was the first time the students conducted the campaign.

The program is coordinated by the Bethel Park High School National Honor Society, but was open to any Bethel Park High School student who wanted to participate. Chairing this event was senior **Leslee Keibler** and junior **Samantha Lynn**.

The two chairs were named the November Rotary Students of the Month by the Bethel Park Rotary Club for their efforts to coordinate another successful campaign.
