

APPRENTICESHIP PROGRAM

The Apprenticeship Program focuses on the Arts, Sciences, and Humanities. This program allows the student to have “hands-on” experience in his/her field of interest. Below is a list of apprenticeships available for the 2007-2008 school year.

Acting	Adv/Public Relations	Animation
Anthropology	Architecture	Art Careers
Astronomy	Biotechnology	Broadcast Journalism
Business	Civil & Env. Engineering	Conducting
Contemporary Dance	Dance Academy	Education
Engineering	Filmmaking	International Affairs
Journalism Careers	Journalistic Writing	Marine Biology
Memoir (writing)	Musical Theater	Nursing
Opera	Photography	Playwriting
Screenwriting	Short Fiction	Videography
Visual Arts	Web Design	Zoo Animal Care

Students apply for these apprenticeships in April. Announcements are made daily for at least three weeks reminding the students where they can obtain applications and information. Teachers are also given this information to share with their students.

Applications can be obtained from Mrs. Romito in the Counseling Office.
