

MODIFIED KINDERGARTEN SCHEDULE WHEN THERE IS A TWO-HOUR DELAY

On days when a two hour delay is called, the district will operate a **Modified Kindergarten Schedule** in all elementary schools as follows:

- **Morning Kindergarten** will attend from 11:20 AM to 1 PM
- **Afternoon Kindergarten** will attend from 2 to 3:40 PM

Bussing: Morning Kindergarten pick-up time will be 2 hours later than normal. Pick-up time for the Afternoon Kindergarten will be approximately 55 minutes later than normal. **The pick-up point for the Afternoon Kindergarten will be at the normal drop-off point** and may be a different bus than normal.

Modified Kindergarten equalizes both sessions to 1 hour, 40 minutes of instruction. Please take note of this change to the schedule.

Parents, please be reminded that on days with delays, building staff is also on that delay, so there may not be anyone at the front door to let your child into the building, should they arrive too early. Please do not drop your child off at school before the delayed starting time.

In the event of an emergency closing, all parents should have prior arrangements made for their children. As it is not always possible to contact each person through the school's emergency calling system, children should be aware of what to do, or where to go, in the event parents are not home at the time of the emergency dismissal.
