Attention Sophomores and Juniors, applications are being accepted to the Teen Leadership Corps (TLC) to participate in the BOLD/GOLD traditions at IMS. We are looking for motivated students who represent a good cross-section of Bethel Park High School. We try to balance our teams with students involved in a variety of in-school and out-of-school activities. We want members who demonstrate, through the example of their own lives, how to balance academics, activities, friendships, and making positive life choices, and have a way of conveying that to our middle school participants. We are searching for good role models that will compliment the qualities of the current team. You can complete an application through the link below. One reference is required and it can be submitted to the email addresses in the application. You must use a NON-blackhawks email address as we cannot send information to your student email address. You will find the application only through the google link below:

Counseling Events (continued):

World Kindness Day is coming to BPHS. World Kindness Day is an international holiday that was formed in 1998, to promote kindness throughout the world and is observed annually on November 13 as part of the World Kindness Movement. The purpose is "to highlight good deeds in the community focusing on the positive power and the common thread of kindness which binds us."

The Counseling Department of the Bethel Park School District (5-12) will be recognizing **World Kindness Day on November 12**, and we are asking for your help in a *GOOD* way. We believe that we need to recognize positive behavior, especially Random Acts of Kindness, in some way - and this is a start! On Friday, November 5, a **Starfish Coupon** was placed in your mailbox. We ask you to award to one student you see performing a Random Act of Kindness between November 8 and November 11. Students will be able to cash in their coupon for an ice cream at lunch on Friday, November 12. Wear **GREEN** on Friday, November 12, 2021, to celebrate World Kindness Day and acknowledge your peers who have been given a Starfish Coupon for a random act of kindness. Why a starfish??? You will understand when you click on this link..... [World Kindness Day](#)

We will continue this program on a yearly basis and are open to other ideas for a small reward to thank a student for being a kind person in a difficult world! Thanks for your willingness ahead of time to make a difference in our students' lives.
