

FEDERATION ISSUE #3—ARTICLE 11—DUES DEDUCTION: COMMITTEE TO SUPPORT PUBLIC EDUCATION PROPOSAL

The Federation has placed at issue Article 11, and the District anticipates that the Federation proposes to add language regarding the ability of Federation members to make voluntary donations to the Committee to Support Public Education. The District is not opposed to this proposal provided the contributions are voluntary and authorized in writing by employees who opt to participate and that the District be held harmless in any disagreements between the Federation and employees regarding contributions.
