REQUESTING A SPECIAL EDUCATION STUDENT EVALUATION

Parents or guardians, who are interested in having their child evaluated by the Bethel Park School District through a school based multi-disciplinary evaluation (initial evaluation) or re-evaluation (already identified as needing special education supports), should provide a written request to the Building Principal located in their child's neighborhood school or to the Director of Special Education at the district administration building.

The written request should include the reason(s) for the request and specifically, the educational concern(s) that you have for your child (i.e., academic, behavioral, social). In-turn, the District will either agree to the evaluation by issuing a Permission to Evaluate/Re-Evaluate Consent form or reject the evaluation by issuing a Notice of Recommended Educational Placement (NOREP), which would indicate the reason(s) why the evaluation is being rejected.

If an evaluation/re-evaluation is agreed to by the District and written parent or guardian consent is granted, the student evaluation will be completed and disseminated to the parent or guardian within 60 calendar days. At that time, the parent or guardian will be invited to attend a multi-disciplinary or IEP team meeting to review the results of the report, ask questions to school personnel and to develop or revise an Individualized Education Program (IEP), if the child is found to be or continues to be eligible for special education services.

For additional information please see Bethel Park School District policies [113 Special Education](#), [113.3 Screening and Evaluations for Students with Disabilities](#), & [113.4 Confidentiality of Special Education Student Information](#). Student visits are limited to educational purposes only and to 2-3 periods of stay. An administrator will issue the pass and has the right to refuse admittance to any person. Visitors who do not register and do not have passes will be considered trespassers.

Weather Delays and Emergency School Closings

The delayed opening or early closing of school due to emergency or inclement weather will be determined as early as possible. In the event of a weather delay, closing, or early dismissal, all parents/students will be notified by a pre-recorded message to their primary contact telephone numbers via the School Messenger Notification Service. Information can also be obtained on the district's web page (www.bpsd.org) or by calling the Information Line at (412)854-8407. Information will also be available on television stations KDKA, WTAE and WPXI.

Under a two-hour delay: Students should arrive at their bus stops or at school two hours later than usual. On days with delays, high school staff is also on that delay so the building may not be open if students arrive too early.

If school is cancelled due to inclement weather, all Bethel Park Recreation Department activities held at the high school are also cancelled for that day.

SCHOOL ATTENDANCE

Philosophy/Intent

Student attendance is an important factor in the academic success of each and every student. As an educational institution, it is part of our responsibility to instill in our student's excellent attendance habits that will lead them to success in the world. In addition, we believe that students and parents/guardians who choose not to adhere to the following attendance regulations should be held accountable for their actions. It is our hope that by establishing the following standards, parents/guardians and students alike will recognize the seriousness of regular attendance in school. Please see Bethel Park School District Policy [204 Attendance](#).

Excused Absence: Student misses school for a legitimate reason as provided by state law and produces an appropriate excuse within 3 school days of the absence. Retroactive excuses submitted after the 3-day period will not be honored. Pennsylvania compulsory attendance laws list excused absences as

- Illness, including if the student is dismissed by designated district staff during school hours for health-related reasons
- Quarantine
- Death in the immediate family
- Recognized religious holidays and services
- Health-related appointments
- Court appearances
- School-sanctioned absences
- Exceptionally urgent reasons (at the discretion of an administrator)
- Approved tutorial program
- Other as detailed in Attendance Policy 204

**The district may limit the number and duration of non-school-sponsored educational tours or trips, college or postsecondary institution visits for which excused absences may be granted to a student during the school year.*

Unexcused/Illegal Absence: A student who is currently enrolled in Bethel Park High School and misses school for an unlawful/unexcused reason according to state law and/or fails to provide an appropriate excuse to his/her homeroom teacher within 3 school days from the absence will be in violation of the attendance policy and state law. Students will be dropped from school rolls per state law if they accumulate 10 days of consecutive absence from Bethel Park High School without a valid excuse.

Truancy: Student is absent from school without parent/guardian permission and/or knowledge.

The Bethel Park School District course of actions as they relate to student attendance:

- Automated phone call via the School Messenger to the residence of each absent student on the day of each absence.
- Letters are mailed to the person in parental relationship when a student reaches his/her 3rd, 6th, 10th, 15th unexcused/illegal absence from Bethel Park School District. This letter will include upcoming consequences should the student continue to be absent. All unexcused absences/tardies will result in a zero (0) for all assignments on that day.
- On the 3rd unexcused/illegal absence, person in parental relationship will be notified within 10 school days to offer a School Attendance Improvement Conference with student, person in parental relationship, appropriate school personnel, and others who may be a resource to outline further consequences. All unexcused absences/tardies will result in a zero (0) for all assignments on that day. An AM/PM detention will be assigned on the 3rd, 4th, and 5th unexcused absence.

- On the 4th unexcused/illegal absence, the district will hold a School Attendance Improvement Conference with the person in parental relationship to create a School Attendance Improvement Plan (SAIP).
- On the 6th unexcused/illegal absence, person in parental relationship will be notified in writing that includes a warning about loss of privileges. Students under the age of 15 will be referred to CYS (Children and Child Services) or a school-based or community-based Attendance Improvement Program. The District may file a Citation with the District Court. Students that are age 15 and older will be referred to an Attendance Improvement Program OR a Citation will be filed with the District Court. Students will be referred to CYS if additional unexcused absences occur or if the student refuses participation in an Attendance Improvement Program. All unexcused absences/tardies will result in a zero (0) for all assignments on that day. A Saturday detention will be assigned on the 6th, 7th, 8th and 9th unexcused absence.
- On the 10th unexcused/illegal absence, person in parental relationship will be notified in writing. Student will lose all privileges for 30 calendar days including but not limited to participation in all PIAA, club, and intramural sports, all school-related clubs and extracurricular activities, field trips, all dances/social events including prom and the commencement ceremony. Students that reach this level will also have parking/driving privileges revoked for the remainder of the year. All unexcused absences/tardies will result in a zero (0) for all assignments on that day.
- On the 15th unexcused/illegal absence, person in parental relationship will be notified in writing. The student will lose ALL privileges including but not limited to participation in all PIAA, club, and intramural sports, all school-related clubs and extracurricular activities, field trips, all dances/social events including prom and the commencement ceremony. All unexcused absences/tardies will result in a zero (0) for all assignments on that day.
- The 15-day letter (both excused and unexcused) will indicate that any further absences must be accompanied by an excuse from a licensed practitioner of the healing arts for each occurrence or he/she will be considered unexcused/illegal for attendance and grading purposes. Excuses will be accepted from a licensed practitioner of the healing arts.
- Bethel Park School District will prosecute, as provided by law, the person in parental relationship of students who are violating the compulsory attendance laws of the state of Pennsylvania. All students will be referred to the District Judge.

***For additional clarification, please visit the Unexcused Absences Flow Chart included on page 20.*

Extended Absence: During extended illness or hospitalization beyond 3 days, the person in parental relationship should request homework assignments by contacting the front desk office manager. Work can be requested on the 2nd day of the student absence to be picked up on the 3rd day of the absence. The person in parental relationship of students who have extended medically-excused absences should contact their school counselor and/or principal to review & develop the best possible solution to facilitate the student's continued academic progress and success.

Pre-Approved Absence: Students must request approval at least 3 days prior for a preplanned educational trip. The person in parental relationship should use the [Pre-Approved/Educational Trip Form](#) available through the attendance office, or on the website. The person in parental relationship must sign the form. If a request is sent to school prior to the dates of the trip, and the trip has been pre-approved, the absence is excused. If no prior notice is received, the school must classify such absences as unexcused.

School-Sanctioned Absence: School-sanctioned absences are class absences resulting from a student's approved participation in school sponsored field trips, performances, co-curricular and extra-curricular

activity or event. Students are expected to obtain assignments in advance and submit completed work on time. Policy [241 Field Trips](#) & [241.1 Overnight Trips](#)

Academic Consequences: All unexcused absences/tardies will result in a zero (0) for all assignments on that day. Any/all work missed by a student with an excused absence is expected to be made up within the same number of days that the student was absent. Example: 1 day absent = 1 day to make up work; 2 days absent = 2 days to make up work, etc. Classroom teachers may extend this time frame as needed. Any/all work missed by a student with an unexcused/illegal absence or tardy cannot be made up by the student and will be recorded by the classroom teacher as a “0” percent. Work given in advance of a pre-approved absence or a school-sanctioned absence should be completed and submitted upon return.

Athletic/Extra Curricular Participation: According to the [Athletic Handbook](#): “Students must attend a full day of school in order to practice or participate in that sport or activity that day. A full day of school is defined as arriving before 9:00 am and leaving after 1:00 pm. Exceptions to this rule include pre-approved college visits, funerals, medical appointments, and other special circumstances approved in advance by the Principal.”

Tardy to School/Homeroom

A student who is not in his/her homeroom/classroom prior to the beginning of the school day will be considered tardy to school. Students must then report to the Attendance Office to get a tardy pass that will admit him/her to homeroom. Students who are tardy to school must have a legitimate excuse as defined by the Pennsylvania attendance law. Tardy is defined as arriving after homeroom begins.

Excused Tardy: Any enrolled student who is tardy to school for a legal reason as provided by state law and produces a legal excuse upon arrival to the Attendance Office, will be considered excused. Retroactive excuses submitted after the 3-day period will not be accepted according to Pennsylvania attendance laws. Below is a list of excused tardies:

- Illness
- Quarantine
- Death in the immediate family
- Recognized religious holidays and services
- Health-related appointments
- Court appearances
- School-sanctioned absences
- Exceptionally urgent reasons (at the discretion of an administrator)
- Approved tutorial program
- Other as detailed in the Attendance Policy 204

Unexcused/Illegal Tardy: A student who is currently enrolled in Bethel Park High School and is tardy for an unlawful/unexcused reason and/or fails to provide an appropriate excuse to his/her homeroom teacher within 3 school days from the tardy will be in violation of the attendance policy and/or state law.

Bethel Park School District will use the following course of actions as they relate to student tardy to school:

- Send out a letter to the person in parental relationship when a student reaches his/her 3rd, 6th, 10th, and 15th unexcused tardies from Bethel Park High School. This letter will include upcoming consequences should the student continue to be tardy. All assignments/exams missed will result in a zero (0) for all periods missed that day.

- Send out a letter to the person in parental relationship when a student reaches his/her 3rd unexcused tardy outlining further consequences. All assignments/exams missed will result in a zero (0) for all periods missed that day. The 3rd, 4th, and 5th unexcused tardy is a Level I violation.
- Send out a letter to the person in parental relationship when a student reaches his/her 6th unexcused tardy that includes a warning about loss of privileges. All assignments/exams missed will result in a zero (0) for all periods missed that day. The 6th, 7th, 8th and 9th unexcused tardy is a Level II violation.
- Send out a letter to the person in parental relationship when a student reaches his/her 10th unexcused tardies. When a student reaches 10 tardies he/she will lose all privileges for 30 calendar days including but not limited to participation in all PIAA, club, and intramural sports, all school-related clubs and extracurricular activities, field trips, all dances/social events including prom and the commencement ceremony. Students that reach this level will also have parking/driving privileges revoked for the remainder of the year. All unexcused absences/tardies will result in a zero (0) for all assignments/exams on that day. The infraction is a Level II violation.
- Send out a letter to the person in parental relationship when a student reaches his/her 15th unexcused tardy. When a student reaches 15 tardies he/she will lose ALL privileges including but not limited to participation in all PIAA, club, and intramural sports, all school-related clubs and extracurricular activities, field trips, all dances/social events including prom and the commencement ceremony. All unexcused absences/tardies will result in a zero (0) for all assignments/exams on that day. The infraction is a Level II violation.
- The 15-day letter (both excused and unexcused) will indicate that any further tardies must be accompanied by an excuse from a licensed practitioner of the healing arts for each occurrence or he/she will be considered unexcused/illegal for attendance and grading purposes. Excuses will be accepted from a licensed practitioner of the healing arts.
- Bethel Park School District will prosecute, as provided by law, the person in parental relationship of students who are violating the compulsory attendance laws of the state of Pennsylvania. All students will be referred to the District Judge.

Academic Consequences: All unexcused absences/tardies will result in a zero (0) for all assignments /exams on that day. Any/all work missed by a student with an excused absence is expected to be made up within the same number of days that the student was absent. Example: 1 day absent = 1 day to make up work; 2 days absent = 2 days to make up work, etc. Classroom teachers may extend this time frame as needed. Any/all work missed by a student with an unexcused/illegal absence or tardy cannot be made up by the student and will be recorded by the classroom teacher as a “0” percent. Work given in advance of a pre-approved absence/school-sanctioned absence should be completed & submitted upon return.

Athletic/Extra Curricular Participation: According to the [Athletic Handbook](#): “Students must *attend a full day of school in order to practice or participate in that sport or activity that day. A full day of school is defined as arriving before 9:00 am and leaving after 1:00 pm.* Exceptions include pre-approved college visits, funerals, medical appointments, & other circumstances pre-approved by the Principal.” Students will receive a “0” for academic work in classes missed as a result of an unexcused tardy.

- The 1st through 3rd tardy will be excused via the person in parental relationship’s note describing why the student was tardy as defined by State Law. Notes will be confirmed via phone by the Attendance Office or high school office as needed. Note: sleeping in, alarm did not go off, car trouble, etc., are NOT excused.

- If a student submits an excuse from a licensed practitioner of the healing arts for his/her tardiness, it will not count against the tardy total.
- All tardiness from the 4th occurrence on will be listed as unexcused unless the student can produce an excuse from a licensed practitioner of the healing arts for the tardy at the time the student checks in.

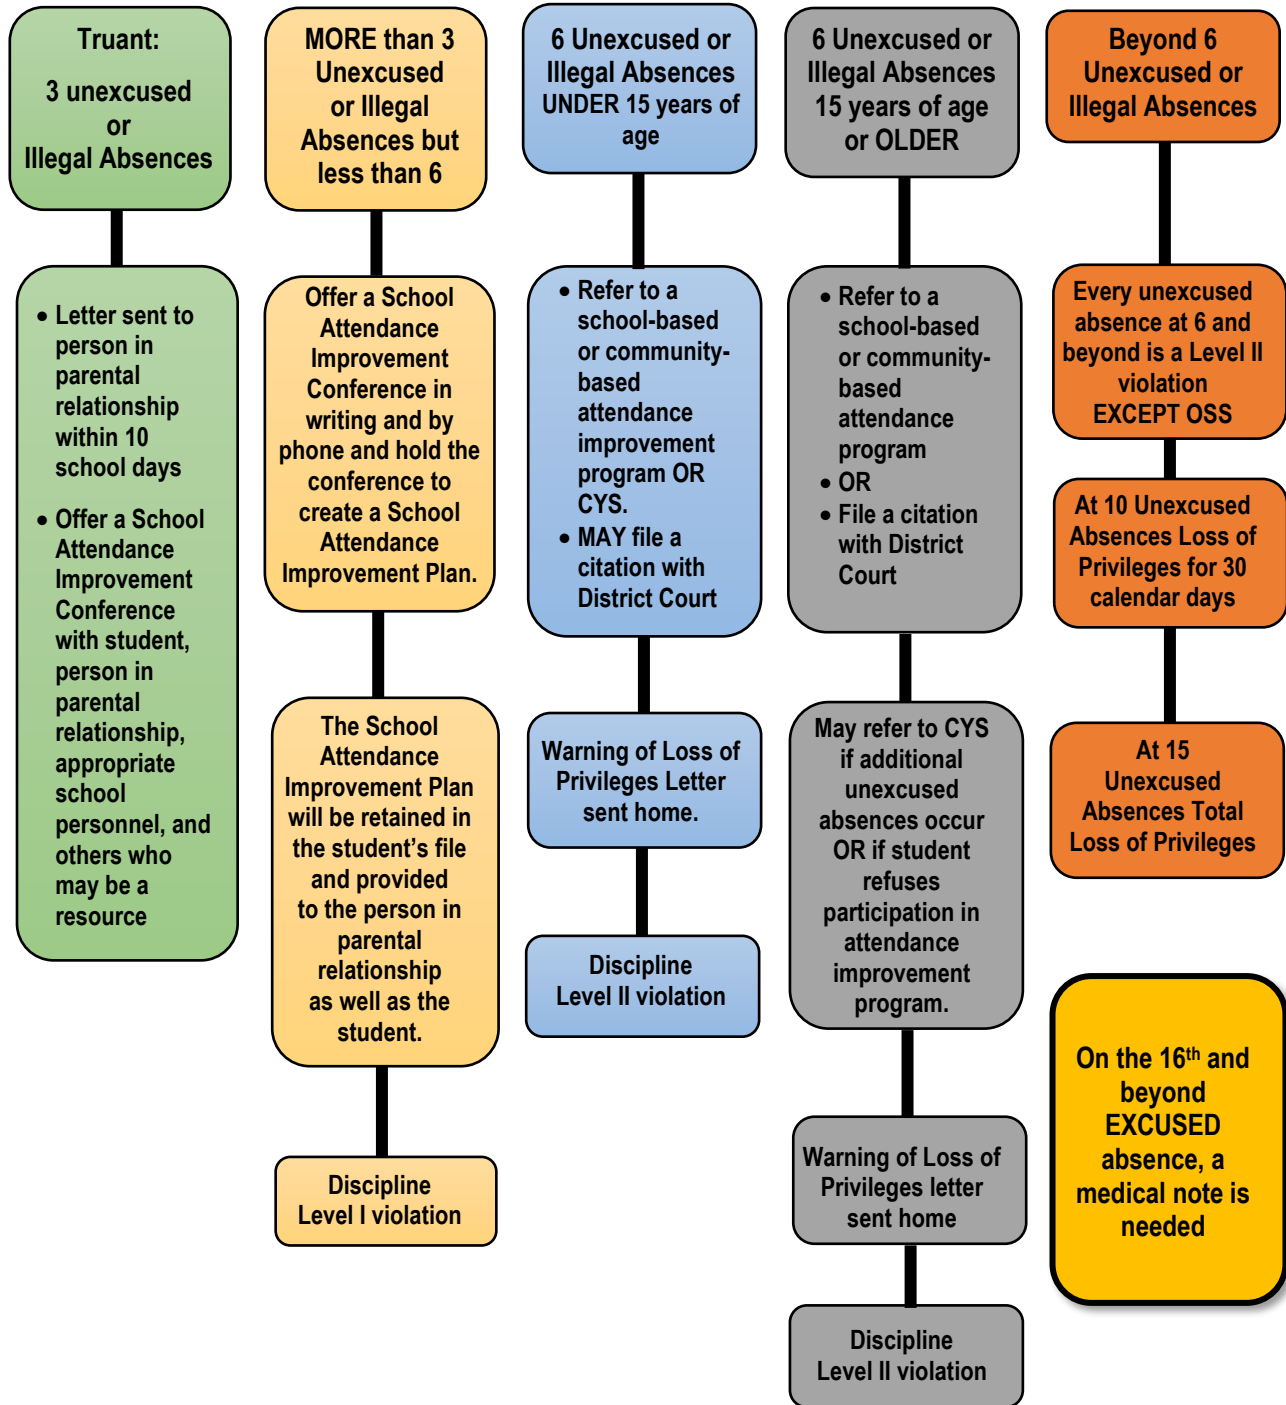

Early Release Information

- Early releases from school will be granted for verifiable reasons which are the same as for excused absences. The person in parental relationship is encouraged to schedule student medical appointments after school hours. Students will be issued an early release under the following:
- The 1st through 3rd early release will be excused via the person in parental relationship's note describing the reason for the early release.
- Upon a student's return to school from a medical appointment, an excuse from a licensed practitioner of the healing arts may be submitted. If submitted, the early release will not count against early release totals.
- All early releases from the 4th occurrence on will be listed as unexcused unless the student can produce an excuse from a licensed practitioner of the healing arts for the early release either when requesting the early release or upon the student's return to school.
- A valid early release excuse from the person in parental relationship must be submitted to the Attendance Office before or during homeroom.
- All early release requests must be approved prior to the release.
- The early release excuse must include release time, reason for the early release and a telephone number where the parent/guardian can be reached for verification. The Attendance Office must have phone contact with the person in parental relationship in order to release the student.
- In extreme emergency situations, the person in parental relationship may bring in a note upon picking up the student, or a faxed note for an early release may be approved.
- Students returning to school from an early release must immediately sign in at the Attendance Office or high school office with their medical excuse from a licensed practitioner of the healing arts. Students who fail to sign in will be considered as unexcused.
- Early releases from the High School prior to 10:50 a.m. or reporting to school after 10:50 a.m. may preclude the student's participation in co-curricular and/or extra-curricular activities.
- Students are not allowed to leave a building without authorization.
- Students are not to remain in the building or on the campus after an early release.

Sent Home by Nurse

If a student becomes ill, the person in parental relationship will be contacted by the school nurse, building principal or designee so that arrangements can be made to have the student taken home. Students sent home by the nurse are not permitted to return to school for the remainder of the day, thus a student will not be able to participate in extracurricular activities without a note from a licensed practitioner of the healing arts. From the 4th occurrence on, a student who is sent home by the nurse will be listed as unexcused unless the student can produce an excuse from a licensed practitioner of the healing arts upon returning to school. In the event a student is sent home by the nurse after the 15th day of absence, the student will be required to submit an excuse from a licensed practitioner of the healing arts to the nurse upon returning to school.

STUDENT SERVICES

College Application Procedure

College applications are submitted through the Naviance program which can be found on the website at <https://www.bpsd.org/naviance0171.aspx>. Contact the Guidance Office at (412)854-8597, Mrs. Nancy Guarino with questions.

Counseling Services

The school counselors can help students assess their strengths and limitations; develop good decision-making skills; develop positive attitudes; develop good study habits; and decide on a career. Students should visit the counselor for assistance in these or any other areas of concern. Any conference with the counselor will remain confidential unless the conference involves a life-threatening situation.

Counselors are available to talk with students; however, students should not visit the counselor without prior approval from their academic teacher or without making a prearranged appointment. Students must report to class and be excused by the classroom teacher before reporting to the counselor. Failure to receive prior approval will be considered an unexcused absence from class. (See Attendance Procedure)

Health Services/School Nurse

The function of the Certified School Nurse (CSN) is to perform state mandated procedures, to maintain state mandated health records, and administer first aid for illnesses and injuries occurring during school hours. The CSN may service multiple schools. When the Certified School Nurse is not in your child's school, the Health Services Nurse, the administrator or the administrator's designee will assist your child. CSNs and school personnel are not permitted to diagnose. Injuries and illness occurring during non-school hours should be referred to your child's physician.

STATE MANDATED EXAMINATION

The Bethel Park School District policy 209 [Health Examinations/Screenings](#), in accordance with the Pennsylvania School Health Law, requires the following examinations in the grades stated and for all students with incomplete records:

- Physical Examinations – Original entry into school, 6th, and 11th grades
- Dental Examinations – Original entry to school, 3rd, and 7th grades.
- Scoliosis Screenings – 6th and 7th grade

We suggest the child’s private physician and dentist, who know the student best, do these examinations. However, the school district’s physician and dentist can do the examinations, at no cost to the parent. If performed by the private physician or dentist, examinations are at the expense of the parent/guardian and appropriate documentation needs to be submitted to the school.

STATE MANDATED HEALTH SCREENINGS

According to policy 209 [Health Examinations/Screenings](#), Health Office personnel will conduct the following state mandated screenings:

- Height, Weight and Body Mass Index (BMI) – required annually in all grades
- Distance and Near Vision Acuity Screening – required annually in all grades
- Convex Lens, Color Vision, and Stereo/Depth Perception Screening - first grade and on entrance to school, if not done previously
- Hearing Screening - Kindergarten, 1st, 2nd, 3rd, 7th and 11th grades
- Scoliosis Screening – 6th and 7th grade

Failure to return state mandated examination reports, including completed screening referral forms, may result in activity restriction or other school consequences. Forms may be obtained at <http://www.bpsd.org/MedicalForms.aspx>

ILLNESS AND COMMUNICABLE DISEASES

To protect your child and to prevent the spread of illness, please do not send your child to school if he/she has any of the following symptoms within 24 hours of the start of school:

- Vomiting
- Diarrhea
- Temperature of 100 degrees or greater
- Continuous coughing or sneezing
- Unexplained &/or contagious rash
- Yellow-green drainage from the nose
- Inflamed eye with or without drainage

The school district adheres to the Allegheny County Health Department (ACHD), Division of Infection Disease, guidelines (Guide to Infectious Disease/Conditions for Elementary, Middle, and High Schools) regarding contagious diseases. IMMUNIZATION

If written physician documentation of required immunization is not received by the FIRST Day of school, the school district is required to exclude the student from participation in school, unless a medical, religious or ethical exemption is sought.

The school vaccination requirements for all school children in Pennsylvania can be found on the web at <https://www.health.pa.gov/topics/Documents/School%20Health/SIR8.pdf>.

Please see Bethel Park School District Policy [203 Immunizations & Communicable Diseases](#).

EMERGENCY SHEET

The information provided on the emergency sheet is needed in order to quickly contact you, or someone you designate, when a serious illness or injury happens. With the exception of BPHS and Independence Middle School, a sheet is completed for the Health Office, and a card is completed for the principal's office. It is vital that the emergency information is completed for use in both of these offices and updated throughout the year. Please return the information as soon as possible. You can download copies of the forms at <http://www.bpsd.org/MedicalForms.aspx>

MEDICATION AT SCHOOL

Should your child require medication during school hours, you are welcome to come to the school and administer the medication to the student. If you are unable to come and need school personnel administer the medicine, the student MUST comply with the following for both prescription and over-the-counter medicine:

- A doctor's written or faxed order.
- Written permission from the parent/guardian
- A copy of the medication form can be found at <http://www.bpsd.org/Downloads/medication%20form%20update%202013.pdf>
- All prescription medicine must be in the prescription bottle that clearly states student's name, name of medicine, dosage, pharmacy name and phone number, and the direction for the administration of the medicine
- All over-the-counter medicine must be in the original container that clearly states the name of the medicine, dosage, direction for administration, expiration date AND the student's name written on the container
- It is preferred that all medicine is brought to the school Health Office by a parent/guardian or an adult designated by the parent/guardian. All medication will be locked in the Health Office. At the end of the school year, any remaining medication should be picked up by the parent, guardian, or adult designee, or it will be destroyed.

Students who have been prescribed an inhaler may carry the inhaler during the school day, provided that a written statement from the student's physician and parent/guardian is on file with the nurse stating that the student may carry and self-administer the inhaler. Please see Bethel Park School District Policy [210.1 Possession/Administration of Asthma Inhalers/Epinephrine Auto-Injectors](#)

The Pennsylvania Public School Code, Section 1414.2(g) allows parents/guardians to request an exemption to the administration of an epinephrine auto-injector for their student. In order to request this exemption, contact the school nurse to make an appointment to discuss this decision, review and sign the opt-out form.

Medication orders do not carry over from school year to school year. Therefore, new physician's orders and parent permission must be submitted each school year.

The Bethel Park School District's Physician issued a standing order that Health Office personnel may administer up to three doses of ibuprofen, acetaminophen, Benadryl and antacids and unlimited cough drops, according to package directions, with parent/guardian permission. This permission may be given on the bottom of the Emergency Sheet. Bethel Park School District Policy [210 Use of Medications](#)

ILLNESS AND INJURIES

If a student is ill or injured, out of school, and is seen at an Emergency Room or by a physician, please have the Medical Physician furnish a note for the school nurse regarding diagnosis and any academic or physical adaptation that may be necessary in school.

**Please refer to the following Bethel Park School District policies regarding Health Services:*

CODE OF STUDENT CONDUCT

DISCIPLINE CODE

Student Attendance Infractions

Discipline for attendance violations (class cuts, compulsory attendance laws, etc.) will be addressed through the Attendance Procedures as outlined within this handbook per policy [204 Attendance](#). For all other discipline, please see below.

Expectations for student behavior

Students are expected to behave in a way that fosters or enhances a positive learning environment. Students should feel safe and comfortable in the learning environment. Bethel Park School District, through policy [218 Student Discipline](#), believes that every student has the right to attend school free from harassment or bullying. The golden rule “Do unto others as you would have them do unto you” is a good standard to follow for behavior. However, when students do not behave in an acceptable manner, disciplinary measures must be taken. The following code outlines those measures.

Discipline Code Levels

The following descriptions of the 3 levels of discipline are progressive in nature and are developmentally appropriate for the age of the students in each grade. This is the high school code (9-12). The procedures and consequences are used for discipline and for behavior modification. **Levels for each violation reflect the minimum discipline that will be applied. The administrators reserve the right to use their discretion in evaluating cases and may discipline using more severe consequences than the minimum stated in the code, especially in cases of persistent disobedience.** Additionally, students may be referred to the Student Assistance Team, Instructional Support Team, Student Support Team, or to the Alternative Education program. When an infraction is against the law, students will be cited according to the PA Crime Code. This discipline code applies to students on school property and at co-curricular or sports-related activities. These guidelines take into account that the school acts in *loco parentis*. Additionally, the following School Board policies and PA Crimes Code Violations support the regulations and discipline as outlined in this document:

Detention

All proctor assigned detentions are issued by an administrator. Teachers and security personnel will send referrals for detention to the principal. The student must report promptly to detention on the date and time assigned. In the event of a delay or cancellation of school, students assigned to detention should report to detention on the following school day. Teachers also reserve the right to assign a detention which requires students to stay after school with the teacher.

- A.M. detention is held from 6:10 am. - 7:10 am.
- P.M. detention is held from 2:45 pm. - 4:15 pm.
- Saturday detention is held from 8 am. - 10 am (2 hours).

The following rules apply to detentions:

- Tardiness is considered an absence and students will not be admitted.
- Students must bring study materials to occupy them during the assigned detention.
- Any disturbance or lack of cooperation results in the student being sent home and the time spent in detention void.
- Sleeping is not permitted.
- Food, drink, radios, and electronic devices are not permitted.
- Failure to report to assigned detention automatically results in Saturday detention.

Out of School Suspension

Suspension is the exclusion of a student from school for a period up to ten (10) days. Any student who is suspended from school is not permitted on school property and may not attend or participate in any school sponsored activity for the duration of the suspension.

The student is responsible for any assignments missed during the suspension. Students who are suspended must arrange to receive homework assignments. [Policy 233 Suspension & Expulsion](#)

Expulsion

RESPONSIBILITY TRAINING

Mission

Every Bethel Park student is expected to demonstrate positive self-esteem, responsible behavior, commitment to family and community, attainable expectations, and the perseverance to achieve these expectations through honest endeavors to reach his/her maximum potential. Students should:

- respect self, others, and the physical environment.
- accept responsibility for behavior.
- develop self-motivation.
- act with honesty and integrity.
- be flexible and tolerant.
- exhibit a positive attitude and a sense of humor.
- strive for excellence.

However, when students refuse to make a commitment to become responsible for their behavior, then action must be taken. The following information describes the Time-Out procedure and subsequent disciplinary actions.

Time-Out Philosophy

The goal of the Responsibility Training and the Time-Out concept is to provide an atmosphere that allows the students to evaluate the behavior(s) they have chosen, to learn that they are responsible for their choices, and to develop the skills to make more effective choices. The primary purpose of Time-Out is not to punish the students but to remove them temporarily from the situation where the problem has occurred. The atmosphere of Time-Out is positive and not coercive to increase the likelihood that the student will evaluate the behavior that he/she is choosing, learn that he/she is responsible for his/her choices and help him/her develop the skills to make more effective choices.

Time-Out Plan

A student's Time-Out plan is written explanation of the positive changes in behavior that the student will make to enable him/her to return to the classroom and to reestablish a positive learning attitude.

Time-Out Procedures

Classroom Time-Out

- Verbal - In this first step the teacher handles student problems on a one-to-one basis with the individual student. This conversation includes a verbal commitment by the student to follow the teacher's classroom rules as well as the school rules.
- Written - The classroom teacher may isolate the student within the classroom. Time-Out is not a punishment. It is an opportunity to allow separation from the group so that the student may plan alternative behaviors. The student writes a plan acceptable to both the teacher and the student.

Time-Out Room

When teachers have exhausted reasonable efforts to help students change irresponsible behavior, the Time-Out Room provides an opportunity for the student to be separated from the classroom environment. In the Time-Out Room, students develop an action plan describing new, more responsible behavior. They are assisted by a certified teacher. If a student cannot complete an acceptable plan during the period when they were sent, they will return to the Time-Out Room the next day to finish. The student is responsible for making up all class work (including examinations) missed while in Time-Out.

Students are referred to the Time-Out Room for the following reasons:

- If a student spends more than 1 full period in Classroom Time-Out. (See above)
- If, in the teacher's professional opinion, the student's behavior demands immediate removal from the classroom.
- If a student hasn't completed an acceptable plan from the previous day.

The principal may follow up Time-Out referrals by checking the effectiveness of the student's plan with both the classroom teacher and the student. The principal may refer the student to the Student Assistance Team because of repeated visits to the Time-Out Room. The following process is in effect for students who are sent repeatedly to the Time-Out Room:

- 3 times in Time-Out Room -- The principal sends a letter to the parents/guardians notifying them of the situation. This could result in a possible meeting of the student, teacher(s), and principal. Upon teacher recommendation, after the fourth situation involving classroom disturbances with the same student, the student will be removed from the class. In this case the student earns no credit for the course.
- 6 times in Time-Out Room -- The principal calls parents/guardians to arrange a meeting with the student, teacher(s), and principal.

Students who have been in the Time-Out Room more than 6 times will be sent every time thereafter to the appropriate principal. The principal will call the parents/guardians. The student may be required to participate in a behavior management group. In addition, other disciplinary actions will be taken.
