

BETHEL PARK

SCHOOL DISTRICT

May 14, 2021

Dear Families,

Re: Bethel Park to continue to follow Health & Safety Plan

At the end of the day yesterday, the Center for Disease Control and Prevention (CDC) announced that fully vaccinated individuals need only wear masks in certain circumstances indoors and outdoors. Dr. Rochelle P. Walensky, the CDC Director, noted that further guidance would be forthcoming regarding schools. In the meantime, out of an abundance of caution, [we will continue to follow our Health & Safety Plan](#), which requires masks for students and staff until we receive additional guidance from the CDC, PA Department of Education and Allegheny Health Department. We will update you when we have more information to share.

Sincerely,

James Walsh, Ed.D.
Superintendent, Bethel Park School District
