

BETHEL PARK PUBLIC LIBRARY CARD

The Bethel Park School District and the Bethel Park Public Library are partnering to improve access to educational and recreational materials through a program called the Student Library Card Initiative. An integral part of this program is for every student, grade 7-12, to obtain a public library card.

The Bethel Park Public Library does **NOT** assess late fees for overdue materials, however, you, the parent or guardian, are responsible for the return of items to the library. Items may be borrowed and returned to any public library in Allegheny County. If an item is lost, you will be responsible for the replacement cost.

Parents/Guardians may opt out of the Student Library Card Initiative.

Check here if you **DO NOT** want your student to have a Bethel Park Public Library card.

If you **DO** want your student to receive a Bethel Park Public Library card, or if your student already has a library card, this form **does not have to be returned**.
