

BETHEL PARK

SCHOOL DISTRICT

November 24, 2021

Dear Bethel Park Families,

Re: Please report all COVID-19 cases to the dedicated email address

During the fall break, please report any positive COVID-19 diagnoses to the school district's dedicated email address, covidquestions@bphawks.org. In addition to your child's name and grade, please remember to include his or her school. Someone from the district will promptly get back to you with specific directions on the next steps your family should take.

Sincerely,

James Walsh, Ed.D.
Superintendent, Bethel Park School District
