SCHOOL DISTRICT

Dear Families,

Re: Positive COVID-19 case reported at Independence Middle School

Earlier today, it was reported that a student at Independence Middle School had tested positive for COVID-19. The student was last in school on Aug. 25.

Bethel Park School District's health and safety protocols mandate that the individual will remain isolated at home until his or her symptoms have abated and he or she has been cleared by a medical professional as being no longer contagious.

If your child tests positive for COVID-19, please notify your child's school nurse as soon as possible.

Sincerely,

James Walsh, Ed.D.
Superintendent, Bethel Park School District
