SCHOOL DISTRICT

Dear Families,

Re: Positive COVID-19 case reported at Neil Armstrong Middle School

Earlier today, it was reported that a staff member at Neil Armstrong Middle School had tested positive for COVID-19. The staff member was last in school on Aug. 27.

Bethel Park School District's health and safety protocols mandate that the individual will remain isolated at home until his or her symptoms have abated and he or she has been cleared by a medical professional as being no longer contagious.

If you are a Bethel Park School District employee and you test positive for COVID-19, please notify the school district as quickly as possible.

Sincerely,

James Walsh, Ed.D.
Superintendent, Bethel Park School District
