

# BETHEL PARK

SCHOOL DISTRICT

Sept. 7, 2021

Dear Families,

***Re: Positive COVID-19 cases reported at BPHS, Memorial Elementary and in the Administration Building***

Today, a student at Bethel Park High School and another student at Memorial Elementary have each tested positive for COVID-19. Also, a staff member who works in the administration building has tested positive for COVID-19. The students were last in school Sept. 3 and Aug. 31 respectively.

Bethel Park School District's health and safety protocols mandate that the individuals will remain isolated at home until their symptoms have abated and they have been cleared by a medical professional as being no longer contagious.

If your child tests positive for COVID-19, please notify your child's school nurse as soon as possible.

Sincerely,

James Walsh, Ed.D.  
Superintendent, Bethel Park School District
