

# BETHEL PARK

SCHOOL DISTRICT

December 7, 2021

Dear Bethel Park Families,

***Re: Positive COVID-19 cases reported at Memorial, NAMS and IMS***

Last night and today, students and staff at Memorial Elementary School (1), Neil Armstrong Middle School (1) and Independence Middle School (2) have reported testing positive for COVID-19.

**The most recent days in school for those cases were:**

- Memorial Elementary School: Dec. 3
- Neil Armstrong Middle School: Dec. 2
- Independence Middle School: Dec. 3

Bethel Park School District's health and safety protocols mandate that those individuals will remain isolated at home until their symptoms have abated and they have been cleared by a medical professional as being no longer contagious.

If your child tests positive for COVID-19, please notify your child's school nurse as soon as possible. Also, if your child is demonstrating any symptoms commonly associated with COVID-19 (fever, headache, muscle or body aches, congestion, loss of taste or smell, etc.), please play it safe and keep them home from school.

Finally, **anyone who visits any Bethel Park school during the school day will be asked to answer some basic screening questions** as we try our best to limit COVID-19 transmission amongst our school community.

Sincerely,

James Walsh, Ed.D.  
Superintendent, Bethel Park School District
